

OUTSTANDING GUIDE TO MUSIC INDUSTRY CONTRACTS

Lee & Thompson is the leading UK media and entertainment law firm. They represent a variety of the world's most highly acclaimed musicians, actors, directors, producers, television personalities and sports people, and the entrepreneurs and companies that work with them.

Available on their website is an excellent (and detailed) online publication covering artist management contracts, recording contracts, producer contracts and publishing contracts. This is first class material and merits careful reading by music students, recording artists and songwriters.
